North Region Pregnancy Care Center

Seeking Director and Board Members

For everything, there is a season . . .

North Region Pregnancy Center is about to undergo a shift in leadership. Brenda will retire as director at the end of September. Additionally, the Center also needs at least two new board members. We have been looking for a new director for a few months. Even though we trust God has a plan, it is hard not to feel a bit concerned.

Therefore, we are coming to you, as our pro-life base, to dig deep and help this ministry continue. With you, our faithful supporters, the ministry is financially doing well, but **the truth is that this ministry will close if someone doesn't step up** to carry it forward.

The director's position is 25-30 hours a week and \$20 an hour.

The board positions are not a large time commitment, but are crucial for the continuation of the ministry.

We firmly believe ministries can be recharged and renewed by new leadership and that fresh management is healthy for continued growth. Please prayerfully consider these roles and whether or not God may be calling you or someone you know to this ministry.

Interested in more information? Visit www.care-net.org, and under the Pregnancy Center tab, click on Center Jobs and search for the North Region Pregnancy Care Center in Roseau for a complete job description.
